

## Qi St. John's

Qi St. John's - Feng Shui consultants could assist individuals with the layout, decoration and orientation of their residential home and commercial spaces. Consultants may likewise assist with interior or exterior spaces or structural applications. Like for example, she or he may be responsible for only the cosmetic dressing and design of an interior area. Alternatively, if a Feng Shui consultant is brought in to offer advice in an early planning stage of a particular project, he or she can offer input concerning the structural elements of the building or space.

Today, Feng Shui is commonly done in homes and used in office places. Before, it was practiced in buildings of importance such as places of worship. During the nineteen sixties Feng Shui became common in the West. Numerous books have been written ever since then and published in English as well as different languages. Many Westerners who have studied Feng Shui have gone on to become consultants.

There are lots of schools that particularly offer courses in Feng Shui. In order to become a professional Feng Shui consultant, it is vital to dedicate time to be able to become totally conversant with the practice. Feng Shui is based on knowledge of qi, that is likewise referred to as "chi." Qi is usually defined as the flow of energy that is connected to all the living things. The practice also relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant must also be familiar with the different symbols linked to practice and understanding a great deal about qi.

Usually, in the West, Feng Shui is normally performed in private homes. Even though there are various professional spaces which are dressed or built according to the principles of Feng Shui, they are unusual. Even if the space as a whole has not been organized to the philosophy of Feng Shui, it is possible to integrate elements into private work spaces. When including Feng Shui into designing and dressing a bigger space, it might be wise to talk to a Feng Shui consultant, although it is possible to complete smaller projects on one's own.

Different Web sites offer plenty of good information concerning Feng Shui histories and its principles. Information on these web sites would consist of information concerning the schools offering courses in addition to general knowledge of Feng Shui. Some of these web sites even offer contact details for people looking for a Feng Shui consultant.
